SPECIMEN LESSONS SENT ON REQUEST

Our experience tells us that many prospective Aeronautical students like to inspect sample lessons before enrolling for a course. We wish it to be generally known that specimen lessons on any Aeronautical subject will always willingly be sent free of any obligation on application to the B.I.E.T. Advisory Director.

Our Courses are approved by the Royal Aeronautical Society, and we enter into a contract with every student to return full tuition fees in the event of dissatisfaction. By enrolling with the B.I.E.T. you are thus fully safeguarded against inferior or out-of-date tuition.

We offer up-to-the-minute Postal courses in all branches of Aeronautical Science and specialise in coaching on "NO PASS—NO FEE" terms for the A.F.R.A.S., A.M.I.A.E., GROUND ENGINEERS' LICENCES, AIR NAVIGATORS' CERTIFICATES, PILOTS' "B" LICENCES (including Blind Flying) and other Aeronautical Examinations. Full particulars of all these Courses will be found in our 268-page prospectus. You are invited to apply for a copy of this Handbook. FREE and without obligation of any kind. The handbook should certainly be on your bookshelf for reference.
